About us

About Us

The Magic Moments children's charity was set up in 1998 by Alick Smith, the then Chairman of the UK's largest independent estate agency Spicerhaart, and his wife Val. The Charity was formally known as the Fantasy Charity Fund and has raised in excess of £1m over the years and is dedicated to helping children with life limited illnesses and their families. We achieve this by sending children from our supported Hospices and their families on trips to Disneyland Paris.

We currently support 12 Children's Hospices around the country that are situated close to our branch network which enables our staff to get involved and see the difference the fundraising makes.

Our colleagues fundraise all year with our main aim to take families to Disneyland Paris every year for a special trip to spend time together. Sometimes families have been recently bereaved and they find the support at this very difficult time absolutely invaluable. In 2016 we ran a record 3 trips and took just under 300 people (59 families) from the 12 Hospices we support to Disneyland Paris for four days. Each year different members of staff accompany the trips, not only as representatives but also to assist wherever they can. Our trustee Emma Barber who joined a recent trip said;

"I feel truly privileged to have taken 21 amazing families to Disney, over the days you really do get to know their individual stories and start to understand how much this trip means to them."

We have a dedicated committee, led by myself, who co-ordinate activities throughout the year. We are also very fortunate to have the commitment, support, dedication and sponsorship of Spicerhaart's colleagues (and their families and friends), along with the company's suppliers and business associates.

Each year the committee receives numerous letters of thanks expressing fond memories. It is a pleasure and an achievement in the knowledge that we have brought smiles to these special children's faces and in providing fond memories for their families especially for those who have children whose lives are limited.

Get Involved

The Magic Moments children's charity needs to raise thousands of pounds every year – and we would like your support.

Come on
Lets all get
involved

Whether you are bungee jumping or abseiling from a building, swimming the English Channel or parachuting from a plane, we would be extremely grateful if you could raise funds for Magic Moments in the process. If marathon running or long distance cycle rides are not your cup of tea, perhaps a coffee morning is or a cake sale or raffle. Why not dress up and arrange a charity ball – or dress down and don jeans to raise a few pounds at the same time?
